

The 6-DE-65RR boards provide a right angle connector to allow a PCI board to be mounted in a PCI bus, but not take the normal height required. The board is available in several configurations. See the attached drawing to be sure you are selecting the correct one for your application.

Looking from the back of the computer

**Options:**

- 6-DE-65R-1.25" (W-34)
- 6-DE-65RR-1.25" (W-54)
- 6-DE-65RR (W-54)
