FC-PCB-DE-63M/104

PC/104 Board \longleftrightarrow ISA Bus
via Flat Cable Interface

The FC-PCB-DE-63M/104 board set provides support for a PC/104 stack from an ISA bus via flat cable. The PC/104 may have pins, sockets or Pass-through connectors installed. The length of the flat cable is indicated by the -# following the part number (in inches). For example FC-PCB-DE-63/104-2.25" would specify a cable length of 2 1/4".

Options:

- FC-PCB-DE-63M/104-S (Sockets)
- FC-PCB-DE-63M/104-P (Pins)
- FC-PCB-DE-63M/104-T (Pass-through connectors)
